

SELECTION CRITERIA – 2008 MTB MARATHON WORLD CHAMPIONSHIPS
July 6, 2008 – Villabassa, ITA

Elite Men and Elite Women Marathon:

The CCA does not send a team to the Marathon World Championships, but will enter eligible individual Canadian athletes who apply in writing by May 15, 2008. In order to be eligible, athletes must be ranked on the UCI Marathon individual classification as of June 4, 2008.

In the event that more Canadian athletes apply than the maximum number allowed by the UCI, priority will first be given to the highest ranked athletes on the UCI marathon individual classification as of June 4, 2008

Participation in this event is entirely at the athlete's own cost, including but not limited to athlete travel, accommodations, meals and national team uniform and CCA on-site representation

Note: In case of any wording discrepancies between the English and French versions of the selection criteria, the English wording takes precedence.

The Canadian Cycling Association reserves the right to review (and change) any selection criteria or decision related to the selection process in the case of rule, policy or procedural changes from the UCI that affect previously published criteria or team selection decisions.
