

HPC MEETING
APRIL 16-17, 2005 – OTTAWA, ON

Meeting called to order at 9:20am, April 16, 2005.

All present except Dominique Perras. Kris Westwood and Steven Lacelle attend as observers.

Additions to the agenda:

- Review of Paralympic program and key selection criteria

- 1. Update on the LTAD Report
 - Kris circulates his review paper on the LTAD process and where cycling is at with the process
 - Paul Jirbala contracted to guide CCA through the process of LTAD and CBET development
 - Working towards having broad structure in place by AGM
 - Coach conference between Track and Road Nationals in Kamloops used to seek consultation and advice
 - Next working group meeting to take place prior to the MTBXC National Championships

- 2. Proposed HP and Devo initiatives for 2006
 - Creating a permanent development team structure
 - Establishing a base in the US
 - Modifying the purpose of the European base
 - Increasing number of support staff of projects
 - Improving team logistics
 - Increasing number of competent coaches
 - Acquiring equipment

- 3. Update on training centers
 - Summary of meeting in Montreal back in February
 - Proposed funding model is discussed for the Centers and subsidization policy for national team athletes training at that Center
 - Discussion of two centers being named Official National Team Training

- 4. 2005 Junior Road and Track World Championships Selection Criteria
 - Time standards will need to be tighter than last year.
 - Will be developed by Kris and Eric.
 - Time standards will be submitted to the HPC for approval.

- Athletes will have to meet time standards by a certain date (Track Nationals)

MOTION: To accept the selection criteria as outlined in Annex A for the 2005 Junior Road and Track Championships.

Proposed: Denise Kelly

Seconded: Chantale Philie

APPROVED

5. 2005 BMX World Championships Selection Criteria

- Need to separate ourselves from the Challenge category due to participation nature of the BMX World Championships
- Some discussion on NBL and how they are running things in the USA. They have confirmed that they will be on board with UCI rules for 2006. CCA has pleaded its case to UCI on this matter.

MOTION: To accept the selection criteria as outlined in Annex A for the 2005 BMX World Championships.

Proposed: Andy Holmwood

Seconded: Denise Kelly

APPROVED

6. 2008 Olympic Games – cycling events to be removed

- Committee reviews all materials
- Needs more information to make a proper decision
- Committee reluctant to support any decision to remove women's events.
- Committee does support removing Road ITT as a first option.
- Options to consider are team pursuit and keirin – keeps balance between sprint and endurance; does not remove any women.

Kris Westwood exits the meeting.

7. Update on CCA Staffing Plan

- Steve presents summary of current situation and philosophy he wants to bring to the office.
- BMX – high with Sport Canada, who see us with a competitive advantage, but they also feel we may not be able to capitalize on it.
- Business lines:
 - High Performance
 - Operations – Finance/Accounting and Marketing
 - Sport Development – Events, Coaching, Officials
- Evaluation committee being put in place for the HP Director position.

- Future hiring's will include Marketing, Finance and Sport Development Directors
- Staffing plan has been approved by the Board

8. 2005 Road World Championships Selection Criteria

- Elite Women:
 - Use of Montreal WC as a selection race – approved
 - Can select all women after nationals to prepare team logistics
- Espoirs:
 - Check rules regarding the U23 participation with a pro team structure on either the UCI Pro Tour or the UCI America Tour.
 - Impact UCI America Tour could have on Espoirs - minimal
- Elite Men:
 - Impact of UCI America Tour and nation rankings
 - How athletes qualify

MOTION: To accept the selection criteria as outlined in Annex A for the 2005 Road World Championships.

Proposed: Chantale Phile

Seconded: Andy Holmwood

APPROVED

9. 2005 MTB World Championships Selection Criteria

- Discussion on funding of downhill athletes. Committee not supporting it as it is not an Olympic discipline and will be in line with other non-Olympic disciplines (ex. Cyclo-Cross)
- Athletes not getting the same levels of funding as in years past with their pro teams.
- Decision to fund all elite men and women, three espoir, three junior men and two junior women. All other athletes will be self-funded.
- No alternates in categories where self-funded riders decline a selection.
- Canada Cup #5 – point to point race in Apex
 - Committee not wanting to use this race. Format not the same as with other events.
- Want to recognize both Premont and Sydor with automatic selections based on medal winning victories last year.
- Junior XC selections – concerned about low numbers and not being able to fulfill six spots last year
- Committee will use top-half to determine final quotas that will be sent. For example, if there were only 10 starters at the National Championship, we would send only five athletes. If there are 20

starters at National Championships, then we would send 10 athletes, but are limited to only 7 athletes as per UCI rules. In cases where there are an odd number of starters, we will round down.

MOTION: To accept the selection criteria as outlined in Annex A for the 2005 MTB World Championships.

Proposed: Denise Kelly

Seconded: Chantale Philie

APPROVED

10. 2006 Commonwealth Games Selection Criteria

- Athletes must be available to do multiple events
- Quota of 19 athletes to be broken down as follows:
 - Road women: 5
 - Road Men: 4
 - MTB Men: 2
 - MTB Women: 2
 - Sprint Women: 1
 - Sprint Men: 3
 - Endurance Women: 1
 - Endurance Men: 1
- Selection process for track spots will begin with Track Nationals and final selection will be confirmed at a later date.

MOTION: To accept the selection criteria as outlined in Annex B for the 2006 Commonwealth Games.

Proposed: Chantale Philie

Seconded: Denise Kelly

APPROVED

Andy Holmwood and Steven Lacelle exit for the weekend.

Marie Gendron joins the meeting for Sunday morning.

11. 2005 MTB Marathon World Championships Selection Criteria

- Points are included on the XC Individual Rankings
- This event should be given a much heavier priority in the year prior to the Olympic Games as a means to score additional points to help with our overall nation ranking.

MOTION: To accept the selection criteria as outlined in Annex A for the 2005 MTB Marathon World Championships.

Proposed: Denise Kelly

Seconded: Chantale Philie

APPROVED

12. 2005 Cyclo-Cross World Championships Selection Criteria

- Will consider top-5 and top half within their age category
- Will also consider those who finish within a certain percentage of the winner's time (perhaps 90%)
- Will need to follow up with Kris Westwood and Andy Holmwood to confirm criteria

13. 2005 Track World Championships Selection Criteria

- Need for a camp prior to making World Cup selections
- Date, location and time standards to be confirmed

MOTION: To accept the selection criteria as outlined in Annex A for the 2005 Track World Championships.

Proposed: Chantale Philie

Seconded: Denise Kelly

APPROVED

14. 2005 European Championships Selection Criteria

- General criteria are reviewed, and then Stephen's comments are reviewed.
- Quebec used 95% of the average speed of the last athlete in the top-half of the starters in the field from 2003 Euro Championships to confirm selection to Quebec team for Nationals.
- Louis will forward the Quebec standards to CCA for further review.
- Estimated numbers:
 - Tandem Men: 3
 - Tandem Women: 1
 - LC Men: 3
 - HC M and W: 3-4
 - CP 1 and 2: 1
 - CP 3 and 4: 2
 - Total team size: 17-18 athletes
- Sean, Chantale and Stephen can work on criteria over the next two weeks.
- Louis speaks to the possibility that there may be only one pilot for each athlete – no more second pilots
- Louis also mentioned that IPC Cycling would come under the UCI umbrella at some point in the near future and with that we would see IPC World Championships being held every year.

- Invite Chad Grochowina to Road National Championships to meet Paralympic group of athletes.

15. Update on selection of National Team Staff

- Coaches will play a large part in the final selection process of support staff.
- Need for a contracted mechanic and massage therapist

16. Medical follow-up of national team athletes

- Need to have athletes submit to national team physician or their own physician a full blood test two or three times per year. Results to be submitted to the national team doctor.
- First purpose is to ensure that all of our athletes are healthy
- Who would have to submit this opportunity?
- Confidentiality issues – athlete doctor to national team doctor
- Trying to prevent an unfortunate situation. We are looking out for their best interests.
- Information can be valuable to coaches in making decision that can impact training volume
- Coaches must be on board and support this position
- Information is shared within the PET (doctors, coaches, HP director)
- Can be part of an athlete agreement
- ACTION: FORWARD MTB MEDICAL MONITORING INFO TO COMMITTEE

17. Canada Games restrictions for Pan Am Championships

- Need to confirm whether athletes participating at these events remain eligible for the Canada Summer Games.

18. Final discussions

- BMX at Canada Games
 - Perhaps a presentation needs to be made to consider this event in the long term
 - Would have to see an addition of two more set of medals
 - A new group of athletes will be attending, who can't participate in road or mountain bike events
 - BMX is attractive for television and the Canada Games Committee are looking for events that are TV friendly.
 - Would help build sport from grass roots level
 - Will need to work on this rather quickly.
- Additional positions at Canada Games for provinces to bring mechanics.

19. Next meeting will be November 18-20 in Bromont, QC (tentative).

Meeting adjourned at 12:15pm, April 17, 2005

ANNEX A – WORLD SELECTION CRITERIA

SELECTION CRITERIA – 2005 ROAD WORLD CHAMPIONSHIPS
September 20 – 25, 2005 – Madrid, ESP

Team size:

The maximum size of the pool as well as the maximum size of the team Canada will enter in the Worlds is stated for each category. In all cases Canada may not enter more riders than permitted by the UCI Worlds Qualification process. The High Performance Committee may at any time decide to send fewer than the maximum number of athletes for reasons of funding or of competitiveness or to adjust the criteria to reflect a smaller or larger than anticipated quota of riders.

Selection:

Selection to the World Championships will be based on the following criteria. Selection will be made in the order listed below:

Elite Men's Road Race:

Selection Date: August 15th, 2005

Eligibility: All male licensed born in 1982 or earlier

Maximum size of Worlds team: 6 athletes (pending UCI America Tour nation rankings to be released on August 15th, 2005)

Final selection process:

Qualify three riders:

Participation will be limited only to athletes selected to compete in the DH category. Any interested athlete should contact the High Performance Program Coordinator of the CCA indicating their interest for approval of the High Performance Committee.

SELECTION CRITERIA – 2006 TRACK WORLD CHAMPIONSHIPS
April 13-16, 2006 – Bordeaux, FRA

Participation at the World Championships will be limited to those riders, born in 1987 or earlier, who have earned enough points through participation at the World Cup events and other events on the international calendar to qualify the country for the World Championships. Participation for the 2005/06 World Cup season will commence with the Los Angeles World Cup in December. The CCA will conduct an open evaluation camp in Burnaby in October where athletes will have the opportunity to post times to be included in the World Cup pool of athletes. Time standards to be met will be confirmed at a later date, as well as more precise details on the camp.

Sprint / 500m / Kilo / Keirin / Points Race / Scratch Race / Individual Pursuit:

In all cases, priority will be given to the rider who has qualified the nation. In cases where more than one athlete has qualified the country, then the higher placed rider on the UCI Individual Classification (following World Cup #4) will be selected.

Madison / Olympic Sprint / Team Pursuit:

Priority will be given to the team of riders who have qualified the country through the World Cup events. In the event that multiple riders have qualified the country, a training camp will be used to evaluate all riders and the National Team Head Coach will make his final decision based on performances at this camp.

SELECTION CRITERIA – 2005 MTB MARATHON WORLD CHAMPIONSHIPS
August 20, 2005 – Lillehammer, NOR

Elite Men and Elite Women Marathon:

Athletes may submit a letter to the High Performance Program Coordinator of the CCA for approval by the HPC to participate in this event. The only pre-requisites are that an athlete must be ranked on the UCI Individual Rankings at the time of selections and they must have participated at the 2005 MTB National Championships

In the event that more than the maximum apply for this event, priority will be given to the highest ranked Canadians on the UCI Individual Rankings at the time selections are made.

This project will be entirely self-funded by the athlete(s) competing at this event.

A national team manager, approved by the CCA, must accompany the athlete(s) as per the National Team Policies and Procedures.
