NOTES:

Cruiser points are from the same tables as Challenge Female/Junior, Elite, Master

When there are no abilities (i.e. Canadian and Provincial Championships) the expert points column is used for Challenge boys classes

The Airdrie International race from May 16th is actually a National Silver class event and the appropriate points tables have been used

When classes are merged the points are awarded according the class the rider is racing in that day with the exception of Championship riders riding in Challenge classes
